Terms and Conditions. Upon initiating porting process your account will be charged a non-refundable porting fee according to prices listed above. A porting process takes 3-6 weeks on average to complete; however, in some cases it may take longer. You must maintain active service with your current provider until after the number is successfully ported to Anveo. Porting request maybe declined/rejected by the losing carrier, your existing provider, Endlesscalls.io LLC or its partnered carrier at any time during porting process. You acknowledge and agree to hold harmless Endlesscalls.io LLC from and against any damages or liabilities of any kind related to porting of the phone number. After the phone number is ported your account will be charged phone number setup fee and 1st month subscription according to Endlesscalls.io LLC Phone Number rate plan selected above. During the porting process our carrier might request some additional information and you agree to provide it in a timely manner otherwise the porting request will be canceled.

New ports from our pool cant be ported out with out a written consent from Endlesscalls.io LLC- all inbound ports will not be allowed to port away before three months of use Special Vanity / Gold numbers provided by Endlesscalls.io LLC cannot be ported out till the remainder of the phone contract which starts at a twelve (12) month period.
